MULTIPLICACIONES

A multiplication grid for a 2x3 grid of numbers. The grid is divided into four columns by color: red, blue, and green. A large 'X' is on the left. A horizontal line separates the top and bottom rows. Above the grid, there are two dashed boxes: a red one with a '+' sign and a blue one with a '+' sign. Dotted arrows point from these boxes to the corresponding columns in the grid. A large dotted line encloses the entire grid area.

MULTIPLICACIONES II

A multiplication problem template. It features a large 'X' symbol on the left. To the right, there are two rows of three boxes each, representing the multiplicand and multiplier. Above these two rows are two dashed boxes, each containing a '+' sign, indicating that the two rows should be added together. Below the first row is a horizontal line. To the left of this line is a large '+' sign. Below the line is a row of four green boxes. Below that is a row of four red boxes. To the right of the red boxes is a grey circle. Below the red boxes is another horizontal line. Below this line is a row of five black boxes. The entire problem is enclosed in a rounded rectangle with two grey circles on the left side.
